## WORK EXPERIENCE

---

**REQUIRED: Two (2) years of full-time or 4000 hours of part-time work experience providing direct substance use disorder auxiliary services.**

---

**Qualifying work experience** is defined as providing direct substance use disorder auxiliary services. Applicant must spend at least 30% of their time providing services. Eligible candidates are likely to be working in positions such as intake, assessment, detox, art/activities/life skills, house/residential management, case management, behavioral health technicians, and LPN/RN. Individuals providing primary alcohol and drug counseling or clinical

supervision are not eligible for the CAAP. Other examples of positions that typically are not approved include peer and recovery specialists, prevention specialists, interventionists, etc. No other work experience in the drug and alcohol field can be used for this certification other than what is stated above.

Qualifying work experience can be from multiple employers to accumulate the required years/hours.

If the applicant's work experience requirement is not fulfilled from their current employer, they must include **documentation from previous employer(s)** verifying their title, duties and dates employed with their application. DO NOT submit a resume as proof of previous work experience. Applicant must contact previous employers and request detailed documentation of their employment from them.

---

All applicants must include a copy of their current job description. This **document is provided by your employer** and must be signed and dated by the applicant and their immediate supervisor.

Job descriptions determine and verify eligible current work experience. Job description must clearly delineate drug and alcohol services as a primary function of the position.

**If you have held different positions with your current employer**, please provide all relevant job descriptions with the application.

In lieu of job description(s), employer may provide an official position description on agency letterhead. This required documentation must include the applicants' dates of employment (to/from) employment status (full-time or part-time), title of position, a detailed description of the duties and responsibilities for the position, and the average number of hours per week the applicant worked.

## ON-THE-JOB SUPERVISION

---

**REQUIRED: 100 hours of on-the-job supervision of qualifying work experience with a minimum of 10 hours of supervision in each domain.**

---

Supervision is a formal or informal process that is evaluative, clinical, educative, and supportive. It ensures quality of care and extends over time. Supervision includes observation, mentoring, coaching, evaluating, inspiring, and creating an atmosphere that promotes self-motivation, learning, and professional development. In all aspects of the supervision process, ethical and diversity issues must be in the forefront.

**PCB has no requirements for who provides supervision.** The person providing supervision is at the discretion of the agency.

Supervision can be provided in an individual, one-on-one setting and/or observation of skills or group supervision setting.

Supervision can be provided by **more than one supervisor.** In this case, provide a copy of page 11 of this application to all the supervisors documenting supervision on your behalf.

## EDUCATION/TRAINING

---

**REQUIRED: 50 hours of substance use disorder relevant education/training including 6 hours in substance use disorder ethics.**

---

**Education is defined as** formal, structured instruction in the form of workshops, trainings, seminars, in-services, college/university credit courses, and online education.

There is **no limit to the amount of online education** that may be submitted.

Most three-credit college/university courses count as 45 hours. One training CE/CEU counts as one hour.

Out of state education is acceptable.

**All education/training must be documented.** College courses are documented with an official college transcript. Trainings are documented with copies of training certificates.

Training certificates must have the applicant's name, title of training, date(s) of training, the number of hours being awarded, and the name of training organization. Training certificates submitted without this required information on them will not be accepted.

If a training title on a certificate of attendance does not clearly indicate the education content, attach a copy of the training description.

Training registration forms and/or training sign-in sheets are not acceptable forms of documentation.

**Training must be non-repetitive** meaning the same training cannot be claimed more than one time even if the training is taken on different dates from different providers.

Official employer training tracking system/learning management system reports may be acceptable forms of documentation for education/training provided that the report contains the name of the employee/applicant, titles of each training, dates of each training, the number of hours of each training, and is signed by the applicant's supervisor.

There is **no time limit** on when the education/training was received.
