This training is for professionals who are interested in applying for the Certified Recovery Specialist (CRS) and/ or the Certified Family Recovery Specialist (CFRS) through the Pennsylvania Certification Board.

CRS training qualifications - the candidate must have a minimum of 18 months continuous lived substance use disorder recovery experience and abstinence, and a High School Diploma/ GED or higher prior to registering for the training.

CFRS training qualifications - the candidate must be able to self-identify as a person who has experienced a journey of recovery after being impacted by a family member or loved one's substance use disorder and their subsequent experience navigating multiple systems.

Minimum of a High School diploma/ GED proof of education required.

To Apply, go to:
