

TRAINING

CRS (Certified Recovery Specialist)
CFRS (Certified Family Recovery Specialist)
CRSS (Certified Recovery Specialist Supervisor)

Mondays and Thursdays | March 9 - April 9, 2026

*(March 9, March 12, March 16, March 19, March 23,
March 26, March 30, April 2, April 6, and April 9)*

9 am – 4 pm

**St. Luke's Penn Foundation
Loux Healthcare Center – Univest Community Room
807 Lawn Avenue, Sellersville**

COST: \$100 ATTENDEES MUST ATTEND ALL DATES. SPOTS ARE LIMITED.

The course includes 66 in-class hours and 12 hours of homework that, when satisfactorily completed, meet the education requirement for credential application for CRS professionals.

After completing the training course and homework, participants will be prepared and eligible to take the CRS exam. Training alone does not satisfy the credential.

Selected applicants will be notified of their acceptance by February 23, 2026.
