

pcb
2026
Annual Conference

April 20-21 | Harrisburg, PA

The Pennsylvania Certification Board Welcomes You to the 2026 Annual Conference

Welcome,

We have an engaging lineup of topics and activities for our conference, and we appreciate you taking the time to attend.

We are also pleased to, once again this year, have PCB Ethics Committee members on a panel to discuss this important topic area. Our fabulous array of trainings and trainers, along with our exhibitors, advertisers, and sponsors, will enrich your attendance and make this an enjoyable experience for all. We hope that you will have a productive and fun-filled time at this very special conference. Be sure to take time to network with your colleagues, both old and new!

On behalf of the entire PCB Board of Directors and staff, we want to thank all our trainers, exhibitors, advertisers and sponsors for their support, as well as each of our attendees, because without you this conference would not be such a success.

Enjoy!

The image shows two handwritten signatures in black ink. The signature on the left is 'Treasure Gallagher' and the signature on the right is 'Lori Simons'.

Exhibit Hours

Monday: 7:00am - 4:15pm

Tuesday: 7:00am - 11:00am

Abstinence Living at the Turning Point at Washington Inc.: Halfway house for women and women with children in recovery.

Alina Lodge: Alina Lodge began in 1957 as the first treatment center in the state of New Jersey. With a rich history in AA, our Blairstown Addiction Treatment Center has led countless guests to the hope of recovery. Alina Lodge continues to integrate new and innovative therapies into our time-honored approach to treatment and substance use disorders.

Alvernia University: Alvernia University's Graduate and Adult Education division delivers career-focused, practitioner-driven programs designed for working professionals seeking advancement in high-demand fields, including mental health, addictions, and human services. Grounded in a Franciscan mission that emphasizes service, ethical leadership, and community impact, our programs prepare graduates to address complex behavioral health challenges with clinical competence and compassion.

Arkview: At Arkview, our team is here to help. We are an addiction treatment center that offers comprehensive behavioral health services designed to support lasting recovery. We believe that addressing mental

health is essential to treating substance use effectively. Whether you're struggling with addiction, mental health challenges, or both, Arkview provides compassionate, evidence-based care tailored to your needs.

Armstrong-Indiana-Clarion-Drug and Alcohol: The Armstrong-Indiana-Clarion-Drug and Alcohol Commission, Inc. (AICDAC) has been the designated Single County Authority (SCA) for drug and alcohol services in Armstrong and Indiana Counties since 1973. In 2010, Clarion County was added to the counties serviced in Pennsylvania by AICDAC. In 2023, AICDAC became the Regional Recovery HUB for Region 6&7, which is made up of 22 Counties in Western Pennsylvania. The regional recovery hubs throughout Pennsylvania will be designed to embed, expand, and promote a Recovery-Oriented-System of Care, which is a coordinated network of community-based services and support that are person-centered, with the ultimate goal of improving health, wellness and quality of life for individuals in recovery from substance use disorder.

Avenues Recovery: An outpatient drug and alcohol rehab center in Bucks County, PA with a revolutionary treatment approach, 95% of our clients see lasting results long after graduation. You can choose to break the cycle, and discover hope, happiness and healing at Avenues Recovery Center at Philadelphia!

Blueprints for Addiction Recovery: Blueprints for Addiction Recovery provides nationally accredited substance use and mental health treatment programs in Lancaster, PA. We combine the best evidence-based therapy with the tested principles of community recovery to help clients and their families live healthier, more resilient lives. Recovery is real. We see it happening every day.

BriteLife Recovery: BriteLife Recovery provides a comprehensive addiction treatment program that caters to individuals struggling with addiction or substance abuse, as well as those with mental health disorders. With locations in South Carolina, Pennsylvania, and New York, we offer a wide range of services including detoxification, inpatient treatment, and residential care. Our team of fully licensed and authorized therapists, along with 24-hour medical care and doctors, are

committed to providing a safe and supportive environment where patients can learn and practice recovery and coping skills.

Caron: Caron Treatment Centers is an internationally recognized nonprofit dedicated to transforming lives through addiction and behavioral healthcare treatment, research, prevention, and addiction medicine education. During its almost 70 years, Caron has helped thousands of individuals struggling with behavioral health issues, including substance use disorders, begin to manage these brain diseases and find hope. Anchored by two medical centers on its Pennsylvania and Florida campuses and headquarters in Wernersville, Pennsylvania, Caron uses a Neurorestorative Approach to provide a comprehensive continuum of care for teens through adults including medical stabilization and detoxification, residential, partial hospitalization, intensive outpatient, and outpatient programs, as well as Recovery support, family, and alumni services. Caron also provides concierge signature treatment executives, healthcare professions and older adults and now offers gambling services in Pennsylvania.

Charlie Health: Expanding access to mental health, substance use, and eating disorder treatment to as many people struggling with serious challenges as possible. Transforming lives and restoring hope with virtual, personalized, and evidence-based treatment.

Compass Counseling and Associate: Private practice.

Danny's House: Danny's House is a non-profit, licensed Recovery House dedicated to offering sustainable support with dignity for women in recovery. Since opening our doors in May 2019, we have empowered over 85 women to reclaim their lives from addiction. In 2023, we opened a second Danny's House focusing on independent recovery living. Over 90% of the women we have serviced have stayed in recovery because of our recovery coach and case management wraparound services.

Donegal Substance Abuse Alliance: Donegal Substance Abuse is a Recovery Community Organization located in Lancaster County. DSAA delivers supportive approaches to addiction by educating, equipping, and supporting individuals, families and communities.

Dreamlife Recovery: Inpatient (Detox, Residential) primarily SUD facility.

Drugscan: As a SAMHSA-certified and CAP-accredited laboratory, DRUGSCAN is dedicated to helping you make crucial decisions that affect the health and safety of your clients/patients. From direct access to toxicology and substance use disorder expertise to exceptional quality assurance, time-saving technology tools, and knowledgeable customer care, we provide accuracy and efficiency for personal and workplace diagnosis and management of prescription drug use, substance use disorder.

Easy Does It: Easy Does It, Inc. is a non-profit organization dedicated to improving the quality of life of individuals recovering from the effects of substance use disorders.

Empower The Mind LLC: Empower The Mind provides prevention, continuing education and outpatient therapy services to youth, adults, and families impacted by behavioral health concerns.

Ethos Treatment: ETHOS Treatment LLC uses a comprehensive behavioral health and addiction treatment provider dedicated to supporting individuals and families on their journey toward long-term wellbeing. With multiple locations throughout the Philadelphia region and western Pennsylvania, ETHOS offers a continuum of care that includes outpatient therapy, intensive outpatient programs (OP), and specialized group services for adolescents and adults. Grounded in evidence-informed practices and delivered by compassionate, experienced clinicians, ETHOS focuses on individualized treatment, community connections, and real-world recovery skills to help clients navigate mental health and substance use challenges with dignity, support, and hope.

Firetree: Firetree, Ltd. provides inpatient Substance Use Disorder and halfway house services to male and female adults that are residents of the Commonwealth of PA.

First Choice/PA Get Help Now: The Pennsylvania Get Help Now helpline offers free, confidential support 24/7/365-by call, text, or live chat-for anyone concerned about drug or alcohol use, either for themselves or someone they care about. Calls, texts, and chats are answered by trained

specialists-often people in long-term recovery-who listen without judgment and help callers understand their options. Our specialists can connect callers to local drug and alcohol offices, help people who are uninsured or underinsured with access to care, and link callers to treatment providers through warm introductions, so individuals don't have to navigate the system alone. Whether someone is seeking immediate help, information, or support for themselves or a loved one, the Pennsylvania Get Help Now Helpline is a trusted entry point to treatment, recovery, and hope. Call 1-800-662-HELP (4357), text (717) 216-0905, chat <https://firstchoiceservices.org/pachat>, and a live chat option is available.

Forge Health: Dual IOP provider for Mental Health and Substance Use.

Geisinger Marworth Treatment Center: We offer inpatient treatment with the use of medication-assisted treatment and outpatient treatment options. Our addiction medicine specialists will treat you or your loved one as a person with a unique history, lifestyle and values. We know the importance of family and will involve those closest to you throughout every step of your treatment.

Glenbeigh: Glenbeigh, a Cleveland Clinic affiliate, offers substance use disorder treatment for adults 18 and over. Located in Rock Creek, Ohio, Glenelg achieved 45 years of service this year. Our hospital offers full medical detox, along with residential and outpatient services.

Heads-up: Heads-up is a collaborating organization whose mission is to help end the stigma around psychosis through education, advocacy, and support. We promote early intervention centered around personalized, accessible, and effective care for all people in Pennsylvania.

Hope and Meaning Counseling: Hope and Meaning Counseling offers individuals, couples, and group psychotherapy services to all ages and populations with a special focus on vocational and rehabilitative counseling and employee/employer assistance. Virtual and in-person services are available.

Kolmac: Kolmac Integrated Behavioral Health has provided evidence-based treatment for substance use and mental health conditions for more than 50 years. Our outpatient programs support adults and adolescents through

structural care that allows patients to continue work, school, and family responsibilities while receiving treatment. In Pennsylvania, Kolmac operates locations in Bryn Mawr and Philadelphia, with a Camp Hill office opening in 2026. Services include adult substance use treatment and adult and adolescent mental health programs delivered by experienced clinical teams.

Malvern Treatment Centers: Malvern Treatment Centers has helped families struggling with addiction since 1949. We achieve treatment success through an unrivaled dedication to the clinical care and innovative treatment solutions. We believe that holistic recovery is best served through a complete understanding of addiction through a continuum of care model. Malvern treats all patients with compassion and respect, inspiring hope and joy in recovery.

Mountains Edge Recovery Center: Mountains Edge Recovery Center is a men's Substance Use Disorder (SUD) Partial Hospitalization Program, (PHP) located in Union Dale, Pennsylvania. The program offers on-campus housing and provides a structured step-down work program designed to support residents in developing stability, responsibility, and life skills while progressing in their recovery.

North Central PA Recovery Hub: The North Central Recovery Hub partners with recovery communities and stakeholders across 12 counties (Bradford, Centre, Clinton, Columbia, Lycoming, Montour, Northumberland, Potter, Snyder, Sullivan, Tioga, and Union) to empower individuals through connection, support, and advocacy - promoting growth, access all recovery pathways and breaking through barriers.

Ophelia Health: Ophelia health is a telehealth centered excellence focused on treating opioid use disorder and co-occurring mental health and stimulant use disorders. The organization provides evidence-based care including medications for opioid use disorder (MOUD), behavioral health support, and care coordination to help patients access and maintain treatment.

Peerstar: Support that understands. We believe no one should face mental health struggles alone. Peerstar provides trained peer specialists

with lived experience navigating mental health challenges who can walk with you on your path to recovery.

Penn Medicine Center for Opioid Recovery and Engagement: CORE Center for Opioid Recovery and Engagement offers medical, behavioral, and hands-on help for individuals with an opioid-related substance use disorder; we work to ensure that people with an opioid-related substance use disorder stay in treatment to receive follow-up care and are supported within their communities. It is an integrated model that approaches recovery holistically. Warm handoffs are facilitated between MAT providers and behavioral health services.

Provide Wellness: Provide Wellness is a leading provider of mental health and substance use programming. Through personalized treatment and comprehensive support system, we foster a healing and transformative environment for people on the path to recovery.

Pyramid Healthcare Inc.: Pyramid Healthcare Rehabilitation Centers provide treatment for adults and teens suffering from addiction or substance abuse, as well as individuals with mental health disorders. As part of our unique 360° recovery system, Pyramid Healthcare provides services for adults and teens in all stages of addiction. Our program offerings include detoxification, inpatient treatment, methadone and Suboxone maintenance therapy, outpatient treatment and halfway and transitional housing. We focus on supplying a safe, supportive environment at all of our rehabilitation centers, where individuals learn and practice recovery and coping skills.

R3 House: Recovery Houses for men and women

Recovery Cove PA: Outpatient MH outpatient SUD

Rosewood Recovery: Rosewood Recovery is a licensed and accredited treatment center providing compassionate, evidence-based care for adults with a primary substance use disorder and co-occurring mental health conditions. Our partial hospitalization and intensive outpatient programs integrate clinical excellence with individualized treatment,

emphasizing emotional safety, connection, and long-term recovery. At Rosewood, we meet people where they are and walk alongside them as they heal.

SAM Inc.: At Service Access and Management, Inc. (SAM), our mission is to help people throughout our service area and enhance the quality of their lives by effectively and efficiently managing and/or providing needed, accessible and individually satisfying services. SAM services to more than 70 counties in Pennsylvania and New Jersey. The Greenleaf Center for Servant Leadership at Seton Hall University named Services Access & Management (SAM) as the 2024 Servant-Led Organization. Our vision is for everyone we meet, we leave better off!

STR Behavioral Health: STR Lancaster is an outpatient mental health and substance use disorder treatment program in Lancaster, Pennsylvania, offering partial hospitalization (PHP) and intensive outpatient (IOP) for adults navigating substance use disorders, mental health conditions, and co-occurring disorders.

Sunshine Behavioral Health: Keystone Retreat Keystone Retreat Behavioral Health, a premier addiction treatment facility in Pennsylvania, is situated on 11 sprawling acres near the lively suburban town of Ephrata. Patients at the retreat enjoy comfortable and convenient amenities, including indoor gym, chef-prepared meals, and semi-private accommodations. Keystone Retreat offers a tranquil setting that promotes healing from the moment you arrive and we are committed to ensuring that our clients receive the best possible chance for long-term recovery.

The Academy Schools: The Summit Academy and New Outlook Academy's adolescent inpatient, non-hospital, residential drug and alcohol programs are licensed by the Department of Drug and Alcohol Programs and accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). The approach to treatment us a multi-dimensional, tailor-made approach, specifically designed to meet the individual needs of the client. Each client is expected to complete a four-step treatment program to help with recovery. Various treatment models utilized in the program are Cognitive

Behavioral Therapy (CBT), The Chronic Disease Model, 12-Step Approach, Motivational Interviewing, Trauma Informed care, educational lectures and family counseling sessions.

Tower Behavioral Health: Tower Behavioral Health provides comprehensive treatment for adolescents and adults of all genders who are struggling with behavioral health disorders and co-occurring addiction.

Treatment Trends Inc.: (TTI) is a 501© (3) nonprofit organization that has been helping those struggling with alcohol and substance abuse for over 50 years. We offer a continuum of care in a recovery-oriented system with inpatient & outpatient services, MAT support, CRS services, and multiple pathways to recovery. Our mission is to empower individuals to find recovery, and in the process, health community.

Wyoming Behavioral Health: Wyoming Behavioral Health is a leading inpatient mental health facility located in Beautiful Kingston, Pennsylvania, just 25 minutes south of Scranton. Our mission is to deliver compassionate, trauma-informed psychiatric care that treats the whole person-not just the illness. We are dedicated to guiding individuals on their recovery journey by building on personal strengths, fostering meaningful community connections and empowering them to pursue fulfilling lives. Our multidisciplinary team provides individualized, holistic care designed to promote healing, growth, and long-term wellness. We accept both Medicaid and commercial insurance, ensuring access to high-quality behavioral health services. Our comprehensive offerings include quick admissions process, transportation support, board certified psychiatrists, family support, licensed therapists, certified peer support, holistic programing, co-occurring treatment, trauma informed care, and medication assisted treatment.

ABSTINENT LIVING AT THE TURNING POINT @ WASHINGTON "An Organization That Provides a Continuum of Care for Women Who Suffer from Substance Use Disorders."

***Residential Halfway House - Women
Residential Halfway House - Women & Children
3/4 Transitional Living Program
724.228.2203
www.turningpointatwashington.com***

Our Mission

The Turning Point is a Halfway House in Washington, Pennsylvania, serving the Washington community since 1991. The trust in the original mission of service to women in recovery has been steadfast and unwavering. The Turning Point has served approximately five thousand (5000) women at our residential treatment facility. All have gained, some more than others, from our unique drug and alcohol treatment program. Our most recent internal studies show that over 40% of the clients, who completed the program during the last four (4) years remain drug-free. ***This is a benchmark in which we take particular pride!***

It is organizations like the Turning Point that carry individuals through crisis.

We are here to help make this a "Turning Point" for the next generation of women who need our support in their recovery!

Our Mission:

To make recovery a reality for everyone. We are committed to providing continuous support through personalized treatment, community integration, and comprehensive care. By offering warm handoffs, access to Medication for Opioid Use Disorder (MOUD), tailored case management, and holistic recovery options, we empower individuals to move forward with dignity, hope, and lasting success in their recovery journey.

Our Vision:

To create a world where every individual struggling with substance use disorder can achieve lasting recovery. We aspire to lead with compassion, offering accessible, integrated care that fosters hope, dignity, and a path to a healthier, more fulfilling life within supportive communities.

CORE Recovery Services

We offer the following recovery services:

- ✓ **Medical Support** – Access to medication-assisted treatment (MAT), withdrawal management, and stabilization services.
- ✓ **Peer Recovery Support** – Connection with Certified Recovery Specialists (CRSs) who have lived experience with recovery and can provide mentorship and guidance.
- ✓ **Comprehensive Case Management** – We assist with behavioral health and drug & alcohol treatment referrals, housing, employment, and community resources.
- ✓ **Inpatient Treatment Options** – Access to medical care and stabilization on designated inpatient floors.
- ✓ **Holistic, Person-Centered Care** – We treat the whole person, not just the addiction.
- ✓ **Community Integration** – We connect individuals with long-term support networks.

We work closely with MAT providers, behavioral health services, and community organizations to ensure a seamless transition between levels of care. Through warm handoffs, individuals are connected with the appropriate providers and resources to support long-term recovery success.
