RECERTIFICATION DIRECTIONS – READ DIRECTIONS CAREFULLY

Prior to submitting your recertification application to PCB, please review the following list to be sure you have included all the necessary documentation.

Recertification application can be submitted no sooner than three (3) months prior to the credential's expiration date.

- Completed application page. (Page 8)
- Completed education and training page. (Page 9) **Do not send copies of your certificates.**
- Recertification fee and any other applicable fees. (Page 10)

If there are any problems with the application, you will be notified by email. Keep a photocopy of the entire application for your records.

To check the status of your recertification application, you can use the Credential Search on the homepage of our website: www.pacertboard.org. Simply enter your last name and click “Apply”.

To confirm receipt of your application, or check on the status, you must email info@pacertboard.org.

RECERTIFICATION INFORMATION FOR ALL CREDENTIALS

1. Recertification record keeping is the responsibility of the certified professional. All recertification documents and application forms should be submitted together. Keep copies of everything submitted.
2. Education for recertification must be acquired no earlier than two years prior to the applicant's current expiration date.
3. Recertification is considered late if you are mailing it and it is postmarked after your expiration date. Recertification is considered late if you are submitting it electronically and it is after your expiration date. If recertification is not completed prior to the expiration date, it is considered lapsed.
4. Education not properly verified is not accepted. Proper verification (i.e. certificate, letter of attendance, transcript) must include date of training, number of hours attended, title of training, sponsoring organization, and your name.
5. Education is defined as formal, structured instruction in the form of workshops, seminars, institutes, in-services, and college/university credit courses and distance learning/online courses.

AUDITING

Documentation of continuing education is only required for recertification if a certified professional is randomly selected for review, or audit of their education hours. Audits occur twice per year (every January and July). Those selected for audit must submit documentation of the appropriate number of hours of education/training that they completed in the prior two-year period. Since the audit process is random, individuals may be selected for audit multiple times. Non-compliance with the required education/training for recertification is viewed as a breach of professional ethics.

DO NOT SEND IN COPIES OF YOUR CERTIFICATES OF COMPLETION FOR TRAININGS WITH YOUR RECERTIFICATION APPLICATION. THESE WILL NOT BE REVIEWED AT THE TIME OF YOUR RECERTIFICATION AND WILL BE DISCARDED.

LAPSED CREDENTIAL

A credential is valid for a two-year period. If your credential lapses, you have 12 months from your expiration date to recertify. After 12 months, you must reapply for your credential(s) and complete all the requirements for initial certification.

To renew a lapsed credential: complete the recertification application with the appropriate requirements and fee(s), plus the lapsed fee of \$100.

FOR PROFESSIONALS HOLDING MULTIPLE PCB CERTIFICATIONS

If you have more than one credential, you pay the fee for your original credential plus \$50 each for all other credentials you are recertifying. If your additional credentials do not have the same expiration date as your primary credential, you will submit a second recertification application at the time they expire with the \$50 per credential recertification fee.

NAME CHANGES

If, at any time, a professional needs to change their name, documentation must be mailed, emailed or faxed to PCB. Acceptable documentation includes copies of marriage license, divorce decrees, etc. Names on certificates cannot be changed until documentation is provided. Professionals can submit the request for a name change at any time.

EXPIRATION DATE CHANGE

If you hold multiple PCB credentials, you can request to change the expiration date(s) and recertify your credentials at the same time. Recertification is made easier, as you are able to use the same education (if applicable) for all your credentials. This is optional. A written request along with the fee of \$25 per credential must be submitted with the recertification application of your primary certification.

INACTIVE & EMERITUS STATUS

PCB has established an Inactive Status to allow certified professionals, who are experiencing extenuating circumstances, a means to put their certification on hold and avoid paying lapsed fees, retesting (if applicable) and the reapplication process. Inactive status is for certified professionals who expect to be inactive for a minimum of six months. ***Insufficient hours of continuing education will not be accepted as rationale for requesting Inactive Status.***

PCB has established an Emeritus Status for certified professionals who are retired from the work force but wish to maintain a connection to PCB.

Approval of each status is at the discretion of PCB. Applicants will be notified by PCB of the approval or denial via email approximately 7-10 business days after the request is received.

For more information on Inactive and Emeritus Status, visit www.pacertboard.org and click on Recertification. More information is on the left side of the page.

EDUCATION INFORMATION

1. College/University course: three college credits are equivalent to 45 hours. However, additional hours need to be documented if the credit hours do not meet all of the education requirements for recertification.
2. Trainings, workshops, seminars, and conferences offered by professional associations, treatment providers, governmental agencies, etc.
3. PCB does not accept general staff meetings, supervision, staff rounds, or case management as education.
4. Distance learning/online courses/webinars are acceptable if they include a post-test. There is no limit to the number of distance learning/online courses that can be used.
5. Acceptable documentation of education must include the professional's name, title, date, number of hours and the organization.

EDUCATION PROVIDED BY THE CERTIFIED PROFESSIONAL

A certified professional who provides education to other professionals may receive credit toward their own recertification.

1. The presenter will receive the same number of hours as the participant; and the presentation can be used for credit once in each recertification period, provided the training has received PCB Education Approval. Training provided by a certified professional must also be documented by sponsoring organization in the same manner as participant documentation (i.e. certificate, letter of participation).
2. Published work written by the certified professional and published by a professional publishing house may meet up to 10 hours of education. A copy of the published work must be submitted along with an education approval application.

RELEASE

I hereby request that the Pennsylvania Certification Board grant the credential to me based on the following assurances and documentation:

I subscribe to and commit myself to professional conduct in keeping with the PCB Code of Ethical Conduct;

I hereby certify that the information given herein is true and complete to the best of my knowledge and belief. I also authorize any necessary investigation and the release of information relative to my certification. Falsification of any records or documents in my application will nullify this application and will result in denial or revocation of certification;

I consent to the release of information contained in my application and any other pertinent data submitted to or collected by PCB to officers, members, and staff of the aforementioned Board;

I consent to authorize PCB to gather information from third parties regarding continuing education and employment and understand that such communication shall be treated as confidential;

Allegations of ethical misconduct reported to PCB before, during, or after application for certification is made will be investigated by PCB and could result in the nullification of the application or denial or revocation of certification.

RECERTIFICATION INFORMATION: RECOVERY & PEER SUPPORT

All other credentials refer to the next page.

REQUIREMENTS AND FEES

RECOVERY & PEER SUPPORT CREDENTIALS		
Name	Fee	Education Requirement
CRS	\$100	30 hours relevant to recovery support services, including 6 hours in ethics and 3 hours in confidentiality.
CFRS	\$100	30 hours relevant to family recovery support services, including 6 hours in ethics and 3 hours in confidentiality.
CPS (Peer)	\$50	36 hours, of which 24 must be specific to peer support and/or recovery practices; 3 hours in ethics; the remaining 9 hours are chosen by the professional.

Are you recertifying your CPS and your CRS and/or CFRS at the same time?

- **To determine your fee:** look at your certificates and find your issue date. The credential you earned first, is your primary credential. Find the fee for that credential above. You will pay that fee, plus \$50. You'll fill in this information on the Recertification Payment Information Page (page 10).
- **You can use the same education for multiple credentials under the following conditions:** they are in the correct two- year time frame (example if your credential was issued on 1/1/2017 and expires on 1/1/2019, you can use education after 1/1/2017) and it is relevant to the education requirements listed above.

Do you want your CPS and your CRS and/or CFRS to have the same expiration date?

You can do this simply by including a written request with your application and the fee on the Recertification Payment Information Page (page 10). Your expiration date will change to your primary credential's expiration date. To determine this date in advance, look at your certificates and find your issue date. The credential you earned first, is your primary credential.

RECERTIFICATION INFORMATION: COUNSELOR, PREVENTION, ETC.

EDUCATION INFORMATION

1. PCB approval for all education
2. Three (3) hours in professional ethics and responsibilities as part of the total education hours. Acceptable trainings that would meet this requirement include but are not limited to: ethics related to human services, HIPAA, confidentiality, boundaries, mental health law and mandated child abuse reporting.
3. Education that has not been previously PCB Approved must be submitted using the Education Approval Form found on our website at www.pacertboard.org.
4. PCB accepts education received outside of Pennsylvania under the following conditions:
 - a. Appropriate documentation (certificate, letter of attendance, transcript) is provided.
 - b. If an out-of-state education was approved by an IC&RC member board of that state, no further PCB approval is necessary. Proof of the IC&RC member board approval must be submitted. If these conditions were not met, the certified professional must seek PCB education approval.

INTERNATIONAL CERTIFICATES

PCB will add a seal to your certificate indicating the International status of your certification. Original International Certificates are available for a fee directly from IC&RC at www.internationalcredentialing.org. The International Certificate provides recognition of your status as an internationally certified addiction professional.
